

Mission and Vision

Provide accessible and timely Behavioral Health services to military children and families through consultation and collaboration with PCMs. Provide comprehensive evaluations and short term treatment for children and families who exhibit a wide variety of behavioral and psychiatric challenges. Our goal is to provide the most clinically effective and least restrictive level of care to our patients.

Referrals Required

Please Consult with your Primary Care Manager (PCM) for a referral to CAFBHS.

Contact TRICARE for Behavioral Health providers in the El Paso Community Network.

Child and Family Behavioral Health Services (CAFBHS) Clinic

Patient Eligibility and Referral

Our Services are available for Active Duty service members and their Dependents, ages 4-18, who are enrolled in DEERS and are TRICARE prime eligible. See your Primary Care Provider (PCM) for the initial evaluation or contact our office for more information.

Our Services

- Consultation
- Psychosocial Evaluations and Testing
- Inpatient Admission Referrals
- Medication Assessments/Management
- Short Term Treatment
- Referrals to the network as necessary
- Couples Counseling
- Individual Counseling

Our services are provided by a team of
Clinical Providers and Support Staff

- Psychiatrists
- Psychologists
- Social Workers
- Marriage and Family Therapists
- Social Work & Psychology Interns
- Social Service Assistants
- Nurse Case Manager

School Behavioral Health (SBH)

Our SBH program is provided in some on-post schools. Clinical Providers are embedded in the on-post schools to increase access to behavioral health services. Providers work closely with school administration and teachers to address the behavioral health needs of the students. In working with the schools, providers are able to identify students who may benefit from services directed at improving academic achievement, maximizing wellness and resilience within the context of the school setting.

SBH Services:

- Intervention
- Prevention
- Education
- Training
- Consultation
- Short Term Treatment
- Individual Therapy

Student Eligibility and Referral

Dependant members of Active Duty service members enrolled in DEERS and TRICARE. Students are referred to SBH by CAFBHS providers, PCM's, and school appointed personnel. Parents are notified of the referral made to SBH. Parents consent is required before services are provided.

SBH services located at the following schools

Bliss Elementary

4401 Sheridan Road, Fort Bliss, TX

Powell Elementary

4750 Ellertorpe Ave, El Paso, TX

Marriage and Family Therapy Clinic

Our Marriage and Family Therapy Program provides therapy services to assist in cultivating healthy relationships in couples and families to improve their quality of life. Clinical providers will work with couples and families to decrease stress within the home to improve communication. Parenting conflict and issues regarding separation and deployment.

Marriage and Family Therapy Services:

- Marital and Couples Therapy
- Family Therapy
- Individual Therapy
- Intervention
- Referral to the network if necessary

Our services are provided by Clinical Providers
and Support Staff

Patient Eligibility and Referral

Eligible to Active Duty service members and their Dependents who desire to improve their relationships. **MUST** be enrolled in DEERS and TRICARE.
