Request IDES Dashboard Access

The following are instructions to request access to the IDES Dashboard

1. Go to the MODS User Management:

    https://authentication.mods.army.mil/MCP/

2. Click "Request Program Access"

3. Update You Information and click "Update!"

4. Choose "Medical Operational Data System" (MODS) from the dropdown

5. Choose "MODS Unit Commander (only commanders) or Unit Command Staff (all others)", click "Add Selected Role", and click "Continue"

6. Enter the Access Reason, click "Continue"

7. Search for "USARMY (PEBLOs, MEDCOM and approved users requiring access to the entire Army) or UIC (Commanders, Staff, CSMs)", click "Search"

8. Select Parent UIC or current command

9. Click "Save Property Assignments"

10. Click "Finish"
