

COVID Testing for Service Members and their families who will PCS to OCONUS

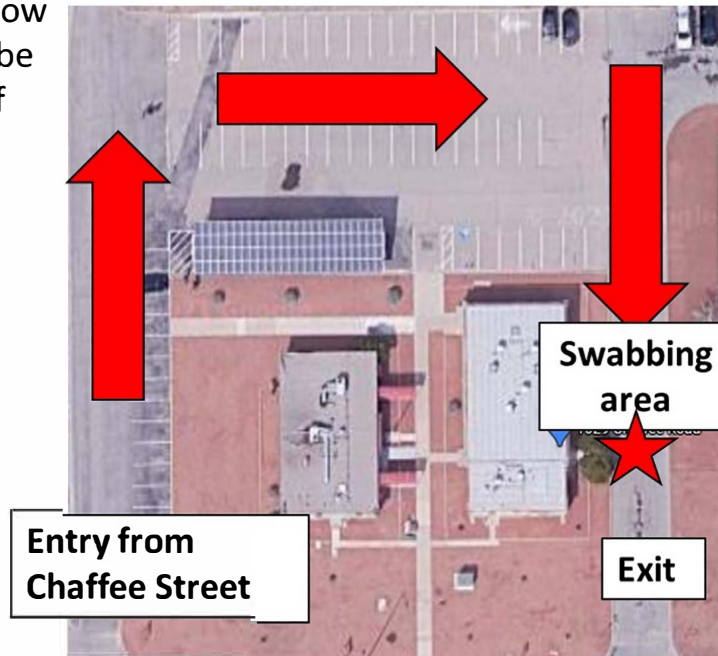

- Testing will be conducted at building 1029 Chaffee Road Monday through Saturday 0800-1200. We will be closed Sundays, Federal Holidays and Fort Bliss DONSA's.
- The testing will be drive through. You **do not** need an appointment or a referral. Please bring a copy of your orders and military ID. We need at least 24-48 hours to get results, and you need to have your results prior to leaving El Paso.
- Please coordinate with your Chain of Command, destination country and departure airline for specific requirements. US Embassy websites are good resources for the most current information on travel restrictions.
- As of right now, some countries will take being vaccinated over a negative test. The 2nd dose needs to be >14 days ago.
- If anyone has any symptoms of COVID or a fever, we will test you, but you need to have been evaluated by your provider and a laboratory order should be in the system.
- Parents will need to assist with the testing of small children. Only children older than 2 years need a COVID test.
- If the test results are positive, you will be notified by phone.
- If the test results are negative, you can obtain your results on online.com.
- For questions or concerns, please email CPT Christopher at shannon.r.christopher2.mil@mail.mil or 915-276-8355. Calls between 0730-1630 only please.

LOCATION: Building 1029 Chaffee Road. From Cassidy gate, take a right onto Pleasanton. The building turn in will be on your left at the Family Behavior Health Building. If you pass Jeb Stewart, you have passed it. There will be signs with a RED arrows starting at the entry.

HOURS: Monday – Saturday 0800-1200. Closed Sundays, Federal Holidays and Fort Bliss DONSA's.

An overflow lane will be opened if needed

Bring a copy of your orders and your CAC.
