ASSIGNMENT COORDINATION

Family Member Travel Screening (FMTS) for Command Sponsored OCONUS Family Travel

- Initiated on <https://EFMP.ARMY.MIL> by the sponsor immediately after receiving assignment instructions in IPPS-A.
- **Required** for all family members requesting command sponsorship to an overseas location including Hawaii and Alaska.
- Requires 5 years of medical records and/or a physical within the last 12 months.

AND

- Specialist feedback from all referrals.
- May prompt consideration for EFMP Enrollment (see identification and enrollment below).

Processing times vary from 10 business days to 60 business days depending on outcome BEFORE

Family Travel can issue official orders for accompanied Family Travel

IDENTIFICATION & ENROLLMENT

Exceptional Family Member Identification & Enrollment

- Initiated by the Sponsor on <https://EFMP.ARMY.MIL> as an enrollment request or automatically when identified during assignment coordination screening (FMTS).
- Required for all Active-Duty Dependents with identified chronic medical needs requiring specialist management, frequent PCM care, special travel consideration, educational needs and or as prescribed by DODI 1315.19 & AR 608-75.
- Identified conditions for enrollment consideration are communicated by your treating physician using a standard form DD 2792 Medical Summary or DD 2792-1 Early Intervention/Special Education Summary completed by the school.

Processing times from completion of applicable medical releases and submission of completed forms is approximately 20 business days.

Enrollments spawned from a Family Member Travel Screening request must be completed BEFORE the command sponsorship request is sent to the gaining unit.
